FROM RICK AND SHIRLEY KNACK: Rick and I thank all of you and especially St. Rita for all your prayers for my recovery from my heart attack in May. While I am not yet 100%, I believe that my condition is no longer an impossible cause that requires St. Rita's continued intercession or special prayers on Sunday. We are truly thankful for all the prayers you have offered over the last three months and know that my recovery is due to your requests and countless others. I believe that I survived through your prayers, through St. Rita's intercession, and because God has further, yet, unknown, plans for me. If any of you have not heard our story of how we came to ask St. Rita to intercede on my behalf, please ask either of us. *Deo Gratias!*
